OUR VINEYARDS

Our family's dedication extends beyond the art of making fine wine to the science of growing exceptional grapes. We farm vineyards in select coastal regions of California renowned for producing exquisite wines. Our vineyard ranches are located in some of the most prestigious regions in California alongside numerous world-renown wineries and vineyards.

The vineyards are spread throughout the Santa Lucia and Soledad appellations. Today neighbors include Pisoni Vineyards and Winery, Hahn Estates, and Paraiso Vineyards. The Riboli Family then purchased vineyard property in the prestigious Rutherford appellation of Napa Valley in 1986, which placed the Kurim's in excellent company along the Silverado Trail with wineries such as Beaulieu Vineyard, Caymus Vineyards, and ZD Wines.
