(ie, caterer, party planner) If yes, do you have custom photography or do you plan to invest in it?

Please show 3 examples of websites that you like and explain why.  
(A good place to look for design inspiration is <http://www.webdesign-inspiration.com/> )

What type of designs do you dislike? Why? (please show 3 examples)

Adjectives: Please provide some adjectives that describe what you hope to communicate with your website (e.g. professional, innovative, friendly, exciting, etc.)

Trends: Do you want the website to feel more traditional and familiar or to have a unique design?

Which pages would you like on your website? (Up to 5 pages are included in the free design offer. If you require additional pages, please list them separately and we will assess if they can be included, or if they will require an additional, minimal fee for the student to create with you after the main site is completed.)

Do you already have content for any of these pages, or do you need to write it?

Any additional information that we may find useful?
